QUESTION 1

This question is an enquiry into the pressures on rural life in Wales and England.

Study the sources below and then answer the questions which follow each source.

Source A

[A drawing of Rebecca Rioters attacking a toll-gate in the 1840s]

(a) What does Source A show you about the Rebecca Riots?
Source B

The labourers of southern England had not shared in the economic recovery of the 1820s. Farmers’ incomes had fallen and this led to lower wages for their labourers. Many farmers were tempted to use machinery to save money, making the position of the labourers even worse. Violence was to follow.

[From a modern school textbook]

(b) Use the information in Source B and your own knowledge to explain why the Swing Riots began. [4]
Thomas Bullin was a professional toll collector. His harsh actions contributed greatly to the unrest in the area surrounding Efailwen. Bullin was strict and banned his toll collectors from allowing some local farmers through for free. He now made every farmer pay in full at every gate and the building of new gates angered the farmers into taking action.

[From an internet website focused on the history of the Rebecca Riots in Pembrokeshire (2002)]

(c) How far does Source C support the view that the actions of toll collectors such as Thomas Bullin caused the Rebecca Riots?
How useful is Source D to an historian studying the activities of the Swing Rioters? Explain your answer using the source and your own knowledge. [6]
These two sources have differing views about the reasons for the ending of the Rebecca Riots.

**Source E**

The Rebecca supporters never left their original purpose – for an enquiry into the Welsh turnpike system to be set up by the government. The moment this enquiry seemed likely to be achieved, they stopped their actions and no-one has ever proposed starting them up again.

[Thomas Frankland Lewis, Chairman of the Government Enquiry of 1844, writing in a letter to a friend in 1852]

---

**Source F**

The combination of firm action and strong punishments given out by the authorities and the way in which most of the farmers of West Wales turned from violent to peaceful action, helped bring an end to the Rebecca Riots. The Government had also taken action to hold an enquiry into the grievances of the farmers.

[David Egan, an historian writing in a school textbook, *People, Protest and Politics* (1987)]

---

(e) Why do Sources E and F have differing views about the reasons for the ending of the Rebecca Riots?

[In your answer you should refer to both the content of the sources and to the authors]
